

MINI TRUCK / SINGLE CABIN

K01

Load more, Earn more

Load More Goods Earn More Money

Figure: Fashionable outline design and luxurious interior decoration of our vehicle, it fully expresses the trend of luxury and fashion.

Loading capacity: Powerful engine, lengthened wheelbase and tread, enlarged carriage and thickened chassis crossbeam enable the vehicle to contain and load more goods.

Achieving Euro Standard Certificate

Material: From Top 5 steel company of the world - Bao Steel, top strength steel, reliable steel

Chassis: Steel used in the chassis and shock absorber system - wider, thicker and vehicle weight distribution has been made through vast test, which enormously enhance vehicle loading capacity.
